### **Water and Sewer Rate increases Effective July 1, 2017**

In order to balance the FY 2017-2018 City of Millen operating budget without raising property taxes, the Millen City Council has decided to increase rates in utilities. These rate increases will also get the City of Millen close in comparison to rates of neighboring cities.

**The base rate for water will increase \$1.00 for each water meter.**

**The base rate for sewer will increase \$1.00 for each water meter.**

**The water and sewer usage rates will increase by 3%**

The City last increased base rates in 2010 and usage rates in 2008.
